Agreement to Arbitrate.

Please read this provision carefully. In the event of a concern or dispute between us, please send SunBeat written Notice to energyresolutions@sunBeatEnergy.com, describing the nature of the dispute and the relief sought. If it is not resolved within 90 days, SunBeat and you agree that any dispute arising out of or relating to any aspect of the relationship between us will not be decided by a judge or jury but instead by a single arbitrator in an arbitration administered by the American Arbitration Association (AAA). This includes claims arising before this Agreement, including claims related to statements about our products. Alternatively, you may opt out of arbitration as described below.

The AAA Consumer Arbitration Rules will apply. We will pay all AAA fees for any arbitration. The arbitration will be held in a location most convenient to your residence. To learn more about the Rules and how to begin an arbitration, you may call any AAA office or go to www.adr.org.

The arbitrator may only resolve disputes between you and SunBeat Energy on an individual basis. The arbitrator cannot award relief for anyone who is not a party and may not consolidate claims. In other words, you and SunBeat Energy may bring claims against the other only in your or its individual capacity and not as a plaintiff or class member in any class or representative action. If a court or arbitrator decides that any of this section's limitations cannot be enforced as to a particular claim for relief, then that claim (and only that claim) must be severed from the arbitration and may be brought in court.

If you prefer, you may instead take your individual dispute to small claims court. You may opt out within 30 days after accepting the terms of this Limited Warranty by sending a letter to 14021 Helsby St. Orlando FL, 32832, stating your name and intent to opt out of the arbitration provision.
